

CHELSEA WATERFRONT COMMUNITY VISIONING

Join us to share your ideas

Thursday, May 26, 2016 | 6pm–8pm
Chelsea Senior Center | 10 Riley Way

The City of Chelsea is exploring ideas for the future of the waterfront that balance the interests of residents and businesses, and satisfy State objective’s for ensuring public waterfront access and protecting the maritime industrial port of the Boston region. Please come to contribute your ideas and offer feedback on the previous workshop held on March 23rd.
