NOTICE OF ELECTION

Chapter 306 of the Acts of 1966 requires that each City or Town Retirement Board in Massachusetts must have two elected members.

The current elected members of the Chelsea Retirement Board are retired Fire Chief Joseph M. Siewko and retired Firefighter Frederick A. Nowicki. Mr. Nowicki's term expires this year and an election must be held to fill this position on the Retirement Board.

The date of this election will be October 10, 2013.

Section 7.07 of the Standard rules for Elections states that an election shall be conducted either entirely by mail or at a polling place. The Chelsea Retirement Board has determined that this election will be conducted entirely by mail.

All members of the Chelsea Retirement System, both active and retired, may qualify as a candidate by filing with the Chelsea Retirement Board a nomination paper containing the signature and address of at least 20 members of the Chelsea Retirement System, including retired members.

Surviving spouses of deceased members are not eligible to sign these nomination papers or to vote for a member representative to the Board.

Nomination papers will be available July 16, 2013 and may be obtained in the office of the Chelsea Retirement Board, on or after that date, and must be filed by August 27, 2013, by the close of business on that day, 7:00 p.m.

Ballots, printed with the names of the nominees will be mailed to all active and retired members, and must be returned to the Retirement Board office by October 10, 2013, before the close of business at 4:00 p.m. on that day.
