FY'15 Trash Fees

- Each resident or unit up to 8 units = \$284.13 per unit annually, or \$23.68 per unit monthly (non owner occupied).
- 9 or more units = required contract with an approved waste hauler.
- Commercial property = \$1340.77 per unit annually, or \$111.73 per unit monthly; *the commercial charge is applicable to mixed use properties only*. Otherwise a contract with an approved waste hauler is required. If a contract with an approved waste hauler is not on file, a charge will be posted to the account until a contract is received by the City.
- Mixed use property = \$1340.77 annually for each commercial unit and \$284.13 annually for each residential unit.
- Owner occupied (residential only) = no charge

Property owner may contract with an approved waste hauler for any or all of the above. Property owner *must contract* with an approved waste hauler for commercial properties.

Churches, Schools & Non-Profits = ½ the commercial rate at \$670.39 annually, or \$55.87 per unit monthly.

Units with individuals who obtain Statutory Exemptions are entitled to \$25 reduction on the annual non owner occupied residential rate = \$259.13 annually, or \$21.60 per month.

Approved
